ART & PHOTOS

I have been having great fun printing and framing some of my favorite images, both recent and vintage -- and yes, I make art as well as photos!

BOOKS — The publisher of *Our Mountain Trips* has offered me a deal on hardbound copies. So I am selling them at **50% off** -- \$15 each (\$25 for both volumes I and II, plus a free copy of the little book, *Joys and Sorrows of an Automobilist*.)

Come see my work, and join me for a cup of tea

See my many other images and do a custom order!
